

Charging and Remissions Policy

The curriculum at the St. Teresa's Nursery School is provided free of charge.

Parents/carers are asked to make a voluntary contribution of £10 per month to cover the cost of children's snack, parties, baking activities, presentations from visitors, library books and additional play resources not provided within the school's allocated budget. Failure to contribute to the school fund will not preclude any child from participating in any of the additional experiences. However, the type and frequency of these will be governed by the amount of money contributed to the fund.

In addition to the contributions made by parents/carers, the school fund benefits from fundraising throughout the year and also from the profit on the sale of school photographs and uniforms.

As the midday meal is an integral part of the full-time session, the usual school dinner charges will apply for those children gaining full time places, except where the child has an entitlement to free school meals.

Monitoring and evaluation

This policy will be reviewed and monitored in line with the school's policy review schedule.
